

Waiver, Release and Discharge of Claims for Break-In or Vacation

Date(s) of Fumigation: _____

Property Address: _____

Due to difficult economic conditions, local authorities have reported a recent increase in the number of home burglaries. Unfortunately, this could affect our customer’s properties while they are being fumigated. While we take certain precautions to deter such illegal activity, we do not provide onsite security and our insurance does not provide coverage against break in or vandalism, if it were to occur. Thus, we request you consider implementing the following security measures while you are away from your property.

- Hire on site security.
- Take valuables such as money, jewelry, credit cards, important documents, etc with you to a secure location.
- Make arrangements to set your home alarm. Coordination will be required for systems with motion detectors and to adjust for windows that are required to be left cracked open during the process.
- Contact your local law enforcement and request extra patrols of your property while you are away.
- Contact your neighborhood watch or trusted neighbors and request extra vigilance in monitoring your property while you are away.
- Drive by your property several times during the fumigation process, especially later in the evenings and early morning. Notify the police of any unusual observations immediately.

I acknowledge I have been advised of the suggested security measures listed above and understand **Rousselle, Inc.** and **A-1 Fumigation, Inc.** are not liable in the event a break in or vandalism occurs during the fumigation process.
